

Hanwell Working Group Meeting
Oct. 16th 2007

Present: Reade Moore Muriel Weadick Peter Michaud Tony Hetherington
Gwen Martin (new member) Chris Robbins

Meeting started at 7:45 pm

Materials handed out - Draft Rural Plan

Dallas introduced new member Gwen Martin. Gwen resides in the Yoho Lake area. Dallas told the group, following last meeting, that he has spoken to Paul Campbell, engineer with the with the Green Infrastructure Branch, of the New Brunswick Dept. of Environment, and is optimistic that the last meeting will bring about action on the part of the Department to address the wastewater issues.

Dallas handed out copies of the draft Rural Plan and proceeded to review the contents with the group. Attached you will find a copy of the draft that the group went over with notes contained within it about the discussions and decisions. Please refer to the attachment, for the remainder of the minutes. Also you will find a pdf of the latest version, containing revisions stemming from the meeting attached as well.

Meeting adjourned at 9:50 pm.

Next Meeting: October 16th, 2007
